

Invesco Canada partners with NEI Investments to Offer a Range of Optimized ESG Products and ESG Investment Expertise

New strategic relationship leverages NEI's expert ESG insights

Toronto, ON (October 6, 2022) – Invesco Canada, Ltd., one of Canada's leading investment management companies, and NEI Investments ("NEI")¹, a global leader in responsible investing and a wholly owned subsidiary of Aviso Wealth, announced today a strategic agreement to provide a one-of-a-kind environmental, social and governance ("ESG") investing partnership. NEI's leadership and capabilities in ESG investing will complement Invesco's deep ESG experience by providing another overlay of expert insight for the Invesco ESG Index exchange-traded funds ("ETFs") based in Canada.

Invesco ESG Index ETFs in Canada – with NEI's expertise – will now provide a more highly elevated ESG framework and stewardship approach to the Canadian ETF market. As part of the new relationship, NEI will apply its robust expertise in responsible investing to Invesco's Canadian ESG Index ETFs in order to add another complementary layer of oversight.

"Invesco and NEI are committed to being the foremost ESG resource in Canada, and we are excited to bring these leading ESG solutions to our clients," says Pat Chiefalo, Senior Vice President, Canadian Head of ETFs and Indexed Strategies, Invesco. "The Invesco ESG Index ETFs are an important component of our ETF franchise in Canada and have been built for those clients seeking ESG exposure in their portfolios. Our ability to leverage NEI's expertise and strong Canadian track record as a globally respected leader in sustainable intelligence will provide investors in these funds with greater confidence, and the most robust and varied Indexed ESG strategies in the Canadian ETF market."

"An increasing number of Canadians want investments that make a positive social and environmental impact, in addition to growing their individual wealth – and advisors are looking for different ways to meet that need," said Tim Prescott, SVP Asset Management at Aviso Wealth, and Head of NEI Investments. "Our partnership with Invesco Canada extends our decades-long responsible investing expertise into the indexed ESG ETF space, enhancing the ESG investing choices available for Canadian investors."
