10. Funds held under this LIF Agreement are subject to division in accordance with the terms of an agreement between the spouses or a court order. Any resultant amount to be paid to an estranged or ex-spouse can be paid only by transfer to an RRSP that meets the requirements of the Regulations, to an eligible LIF, to an eligible RLIF or to a life annuity contract.

Where the Annuitant requests the Trustee to make a transfer to another LIF or RLIF or to an annuity, the Trustee will effect such transfer within 30 days of the request except where the term of any investment extends beyond the 30 day period. If the minimum payment required for the year, by reason of the application of paragraph 13 of this Agreement, has not been satisfied prior to the transfer occurring, the Trustee will withhold adequate funds to satisfy this minimum payment requirement.

13. The amount of income paid during a fiscal year of this LIF will not be less than the minimum amount required to be paid under the *Income Tax Act* and, for any calendar year before the calendar year in which the Annuitant reaches age 90, will not exceed M, with that symbol being calculated in accordance with the following formula:

$$\frac{C}{F} = M$$

Where C = the balance of the money in this LIF:  
i) at the beginning of the calendar year, or  
ii) if the amount under i) is zero, at the date the initial amount was transferred into the LIF,  
and F = the value on January 1 of the year in which the calculation is made of a guaranteed amount of which the annual payment is \$1 payable at the beginning of each fiscal year between that date and December 31 of the year during which the owner attains the age of 90 years.

14. That the value F in paragraph 13 of this Agreement will be calculated for the first 15 years after the date of the valuation, using an interest rate that does not exceed the interest rate obtained on long-term bonds issued by the Government of Canada for the

month of November preceding the year of the valuation, as compiled by Statistics Canada and published in the Bank of Canada Review (CANSIM Series B – 14013/V122487), and using an interest rate not exceeding 6% in subsequent years.

15. For the initial fiscal year of this LIF, the minimum amount to be paid, as referred to in paragraph 13 of this Agreement, will be set at zero and the limit M will be adjusted in proportion to the number of months in the fiscal year divided by 12, with any part of an incomplete month counting as one month.
16. If the money in the LIF is derived from money transferred directly or indirectly during the first fiscal year of the LIF from another LIF of the Annuitant, the limit M will be equal to zero, except to the extent that the *Income Tax Act* requires the payment of a higher amount.
17. Where the LIF holds identifiable and transferable securities, the transfer or purchase referred to in paragraphs 3 and 11 of this Agreement may, unless otherwise stipulated, at the option of the Trustee and with the consent of the Annuitant, be effected by remittance of the investment securities of the LIF.
18. Notwithstanding any provision to the contrary contained in this Agreement, the balance in this LIF may be unlocked in the year the Annuitant attains age 90 or in any subsequent year.
19. At the beginning of each fiscal year the Trustee will provide the Annuitant with the following information:
  - a) the sums deposited, the accumulated earnings, the payments made out of this LIF and the fees charged against it during the previous fiscal year,

  - c) the minimum amount that must be paid out of this LIF to the Annuitant during the current fiscal year and each subsequent one, and
  - d) the maximum amount that may be paid out of this LIF to the Annuitant during the current fiscal year and each subsequent one.

If the balance of this LIF is transferred as described in paragraph 3, the Trustee will supply the Annuitant with the information described above as determined at the date of the transfer. If the Annuitant dies before the balance in this LIF is used to purchase an immediate life annuity, the person entitled to receive the balance will be given the information described above as determined as of the date of the Annuitant's death.

20. No money that is not locked-in will be transferred to or held under this LIF.
21. Where the commuted value of the pension benefit credit transferred to the LIF was determined in a manner that did not differentiate on the basis of sex, the life annuity purchased with the funds in the arrangement shall not differentiate on the basis of the sex of the recipient.   - differentiated
  - did not differentiateon the basis of the sex of the Annuitant.

Any payment claimed as a result of a right under this paragraph shall be subject to the maturity of

investments held in the LIF.

- 23. Notwithstanding any provision to the contrary contained in this Agreement, where an Annuitant has ceased to be a resident of Canada for at least 2 calendar years, the funds may be paid to the Annuitant in a lump sum. An Annuitant is deemed to have been a resident of Canada if s/he sojourned in Canada in the year for a period of, or periods the total of which is, 183 days or more.
- 24. Notwithstanding any provision to the contrary in this Agreement, the Annuitant of the LIF may withdraw all or a portion of the LIF as permitted under the Regulations under 20.1(1)(l) – Small Amounts; 20.1(1)(m) Financial Hardship.
